Dear Jacob –

I write in my capacity as director of the Princeton Center for Migration and Development. It is my great pleasure to confirm that you have been a CMD Research Fellow since June 15, 2023. Given the timeliness and high quality of your research, I was delighted by your acceptance of my invitation for you to become part of our international community of scholars. I look forward to our continued collaboration.

We will soon include your photograph and biographical résumé in the CMD website. Thank you for your patience in this matter.

Heartfelt congratulations on your recent accomplishments.

Warmly,

Patricia
